Pro Series

"The Waterloo® Pro Series stands out when high quality and durability are demanded."

WATERLOO®

The Waterloo® Pro Series provides exceptional quality and durability with standard features engineered for the professional user.

Smooth-Action Drawer Slides

Double-Wall Construction

Over-molded Chrome-Plated Chest Handle

5 x 2-Inch (127 x 50.8 mm) Casters

- **Double-wall construction provides strength while reducing racking**
- **One-piece, smooth-action professional drawer slides are designed to carry heavy loads**
- **Full-extension drawer slides for complete access of contents**
- **1,200 lb. (544.3 kg) load rating**
- **High-strength metal handles with over-molded grips for easy lifting on all 26-inch (660.4 mm) chests**
- **14-gauge caster support channels and 5 x 2-inch (127 x 50.8 mm) casters for high load capacity**
- **Reinforcement channels on cabinet back panel add strength and rigidity**
- **Easy-grip, over-molded keys**
